

Tuition and Fees

ACOT's management will strive to maintain the current cost of education as long as it is possible. However, any increase in tuition or fees will apply only to future enrollees, not to those currently enrolled.

Program Total Costs

Tuition cost per credit hour is \$249, in addition to \$125 per credit hour to cover cost of books and software.

I. AAS – Associate of Applied Science Degree in	Total Cost	Credits
